Wes BallRelease Year: 19 September 2014Size: 350MB and 900MBQuality: 480p and 720p BlurayStars: Dylan O'Brien, Kaya Scodelario, Will PoulterStoryline: Thomas gets deposited into an area with a bunch of other male teens who have no memory of what happened earlier, finding himself in a grassland called a glade surrounded by large, dangerous and formidable stone walls that form a maze. After an incident that occurs one night, chaos erupts and now Thomas needs to team up with a large number of gladers, destroy the cyborg monsters that haunt the glade (called grievers) and, if he can, form an escape. Thomas wakes up in a strange elevator, with memories lost and no idea what is going to happen. He is accepted into a glade full of other teenage boys who call themselves "Gladers." After learning about the Maze that surrounds them all, Thomas becomes obsessed with finding a way out, which could mean certain death. Awakening in an elevator, remembering nothing of his past, Thomas emerges into a world of about thirty teenage boys, all without past memories, who have learned to survive under their own set of rules in a completely enclosed environment, subsisting on their own agriculture and supplies. With a new boy arriving every thirty days, the group has been in "The Glade" for three years, trying to find a way to escape through the Maze that surrounds their living space (patrolled by cyborg monsters named 'Grievers'). They have begun to give up hope when a comatose girl arrives with a strange note, and their world begins to change with the boys dividing into two factions: those willing to risk their lives to escape and those wanting to hang onto what they've got and survive.
